

English is survival knowledge, Knowing German is your career lift, Learn German in Salzburg!

Ladies and Gentlemen,

Did you know that German is the most widely spoken mother tongue in Europe? It is spoken by about 80 million Germans, by about 8 million Austrians, by 4.6 million Swiss, roughly 480,000 inhabitants of Luxembourg, 300,000 people in "South-Tyrol", the autonomous province of Bolzano /Italy, and by 30,000 inhabitants of Liechtenstein. Speaking and understanding German is an essential competitive advantage, in your job and also in your private life.

Why not learn German in one of the most beautiful cities in the world: in Salzburg. Benefit from highly qualified teachers, all of them being university graduates in German and foreign languages (OECD ISCED 5), holding a teacher's certificate for secondary general and vocational education plus an additional qualification in teaching German as a foreign language. Additionally we offer certification of your knowledge of German which is based on the CEF (Common European Framework Languages). Certified knowledge of German is essential for academic studies and for carrying out academic professions in Austria and in Germany, for obtaining the Austrian citizenship et cetera.

ad c) Private lessons – benefit from a teacher of your own

You determine the objectives! You decide on the day, the time and the frequency of the lessons!
Private lessons in modules of 5 x 90 minutes for €450,00

Example: Monday to Friday, at 08:00 – 9.30 or 10:00 – 12:30, 14:00 – 15:30 or 18:00 – 19:30

- Step 1: Detailed analysis of the learner's language level
- Step 2: Systematic compilation of tailor-made language material taking your individual learning pace into account
- Step 3: Building up your vocabulary, your structures, your syntax, your reading and listening comprehension, and eventually your writing and speaking abilities adequate to the respective situation and communication partner.

Private tuition is highly efficient whenever it is required to systematically turn weaknesses into strengths within a short time:

- If you want to acquire specific chapters of grammar
- If you want to prioritize vocational topics
- If you want to communicate with German speaking colleagues in your particular field
- If you want to prepare for an ÖSD-exam
